An act relating to water.

LEGISLATIVE COUNSEL'S DIGEST

SB 326, as introduced, Aanestad. Water resources.

Under existing law, various programs provide funds for water projects and facilities.

This bill would make legislative findings and declarations concerning the need to invest in additional water infrastructure such as facilities for expanded water storage and improved water conveyance.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1     SECTION 1. The Legislature finds and declares all of the  
2     following:  
3     (a) California must make substantial investments to provide  
4     reliable water for a growing population and to meet future water  
5     management needs.  
6     (b) It is in the interests of all Californians to provide a safe,  
7     clean, affordable, and sufficient water supply to meet the needs of  
8     residents, farms, and businesses.  
9     (c) It will be necessary to invest in additional water infrastructure  
10    such as facilities for expanded water storage and improved water  
11    conveyance.
